

The multi functional fabric in Trevira CS provides optimal acoustic conditions and darkens interiors. The versatile blackout is especially advantageous for training, presentation and multi purpose functional rooms. It can be used for curtaining, room division or upholstery. Sonic's performance in the low frequency sector is exceptional. The sound absorbing blackout is available in eleven shades.

## PROPERTIES

Article	SONIC
Article No.	0100405
Number of colours	11 Special colours available from 240 m / 260 yds upwards.
Material	100% PLF CS
Flame-retardant properties	Certificate on request
Width	140 cm / 55 Inches
